

# CORNER CUTTING GUIDE

Corner radius: 0.40" (10.2mm)

Top Left

Top Right

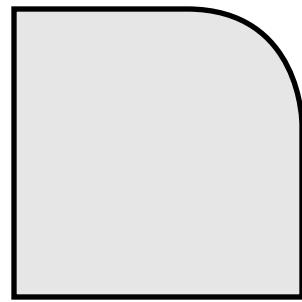

HOW TO USE:

Bottom Left

1. Cut out these corner templates
2. Use as a guide to trace corners on your cards
3. Or use a corner punch (10mm radius works well)

Bottom Right

TIP: A 3/8" or 10mm corner rounder punch  
is ideal for this corner radius.
